About Conference

USG-United Scientific Group, A Non-Profit Organization announces it's First International Congress on Biotechnology (BIOCON-2019) during October 28-30, 2019 at Paris, France.

BIOCON-2019 creates a platform to discuss, learn and exchange research evidence, innovative ideas and models of best practice in biotechnology and its allied areas.

BIOCON-2019 welcomes all Professors, Scientists, Researchers, Academicians, Business Delegates, Technocrats, Students and Sponsors across the world with common objective of making this world a better place by providing the solution to the problems. The organizing committee is confident that participants will benefit from the high value scientific program and welcome to join us for these 3 days of stimulating discussions, knowledge sharing and networking event.

The series of talks, poster presentations, workshops, discussions and networking events will keep participants engaged in learning and making new connections at BIOCON-2019.

[Join us at Paris!](#)

Symposium

USG designs symposia on Genetics & Genomics scheduled from October 29–30, 2019 as a part of Biocon-2019 conference focussing on Gene platform. It aims to bring together scientific leaders and experts, young scientists from Genetics & its allied areas.

Biocon-2019 Provides an opportunity for all the registered speakers to publish their full-length manuscript as a Special Issue Conference Proceedings in Gene Reports journal by Science Direct(Elsevier). Please note that all submitted manuscripts are subjected to an extensive peer review in consultation with the guest editor of the Special issue and editors will make a final decision (accept/reject) on the manuscripts. So please confirm your participation now.

Concept

The purpose of the BIOCON-2019 Conference is to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Biotechnology.

Agenda

Promote fundamental universal values in the field of Biotechnology Questions the current economic and consumption models Critically examine the cultural practices Adopt considerations of sustainability in leadership practices Underline social responsibility locally and globally Emphasis on process intensification and feedstock efficiency To extend gained knowledge and assess new opportunities

Networking

Unique networking opportunity across worldwide where the world's leading renewable CEOs, business heads, decision, and policy makers, choose to present their latest innovations.

Organizing Committee

Nigel Halford
Rothamsted Research
company, UK

AVI DOMB
Hebrew University
Israel

Antonio Pedotti
Politecnico di Milano
Italy

Gassan Hodaifa Meri
Olavide University
Spain

**Elmira Arab
Tehrani-Kahn**
Lorraine University
France

Zeliha Selamoglu
Omer Halisdemir University
Turkey

Torres Lopez
University of Jaen
Spain

Brij M. Gandhi
Neo BioMed Service
India

Scientific Sessions

- Gene regulation
- Gene expression & Function
- Cell Signaling
- Genetic Polymorphism
- Recombination and Genetic Linkage
- Genetic Mutations
- Gene sequencing
- Molecular Genetics
- Genomics and Genetic Engineering
- Biomaterials & Tissue Scaffolds
- Fermentation Process
- Enzyme Engineering
- Immuno-biotechnology
- Microbiology
- Microarray Technology
- Bio-Safety and Bioethics
- Trends in Biotechnology
- Clinical Biomarkers

Dates to remember

Conference Dates: **October 28-30, 2019**
 Abstract Submission Opens: **October 27, 2018**
 Registrations Opens: **October 27, 2018**
 Registration Closes: **October 30, 2019**

Special Features

- Panel discussions
- Interactive poster session
- Cross-disciplines
- Collaborations
- Mentoring from senior faculty
- Networking during customized social hours

Group Discounts

Groups of three or more will receive a Special discount by using the group code. If you have any questions please contact us at biotechnology@uniscigroup.org

or call +1-408-426-4832

Registration

All participants, except non-attending co-authors, must pay the appropriate registration fee.

Category	Business	Academic	Delegate	Student
Early Bird Registration	\$749	\$649	\$549	\$349
Mid Term Registration	\$799	\$699	\$649	\$449
On Spot Registration	\$999	\$899	\$840	\$649

To register online https://biocon-conference.com/registration_form

Registration includes

- Access to main conference sessions, exhibits, poster sessions and round table discussions
- Conference material
- Lunch, tea / coffee breaks during the conference days
- WiFi in meeting rooms

• Sponsorship •

Support the event and take the advantage of getting connected with your target audience!

The United Scientific Group (A Non-profit Scientific Organization) organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

BioCon-2019 three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.
